

In line with the measures for the prevention and protection of public health against the virus Covid-19, the Municipality of Mykonos takes the initiative to establish a temporary welfare and solidarity scheme, under the name **"Dihti Agapis" (Network of Love)**, which will be operational from Tuesday 24 March 2020.

The services provided under the scheme include the following: a registry of vulnerable residents of Mykonos unable to leave their home and residents experiencing financial difficulties. The assistance of the above groups includes covering their pharmaceutical needs as well as the provision of necessary supplies.

In addition, the scheme will provide access to all health and safety services operating within the municipality. A call center and a website will be in operation aiming at documenting the requests and needs of residents. Simultaneously, it will carry out requests in order to provide the residents with any necessary documents requested. Finally, it will attempt to help with any other situation, in order to assist residents stay at home and prevent the spread of the Covid-19 (coronavirus).

Residents or people in need can call at tel. **+30 22890 28636** or e-mail at [menoumespiti@mykonos.gr](mailto:menoumespiti@mykonos.gr) with their requests or for further information.

The scheme will be under the supervision of the Vice Mayor of Security, Daily Life and Social Protection, Michalis Zouganelis (Mpaltas).

This scheme will run in cooperation with the President of Π.Α.Κ.Ο. Γ. Αξιώτης (Cultural, Sports and Social Organization "PAKO G. Axiotis"), Anna Kammi, the members of the board and the employees of the organization, the scheme "Βοήθεια στο Σπίτι" ("Home Care Service"), the group MYKONOS VOLUNTEERS, as well as other volunteers that responded positively to the mayor's call.
